Mitch,

I greatly appreciate the opportunity to address Gun Owners of New Hampshire at your May Board meeting. If I have the honor of serving as your next United States Senator, I will always fight to protect the Second Amendment.

I believe the right to bear arms is an essential constitutional freedom, and I am not going to Washington to propose any new gun legislation. Should gun-related bills come up, I promise that you and your members will be part of the process and have a seat at my table. The same can't be said of your current senator, Jeanne Shaheen, who has shut GONH out completely.

The stakes for the future of our state and country are high this November. We have a real chance to take back the Senate and put America back on the right path, and I believe I can help with that process. But I need the help of you and your members to do that.

Thank you for your consideration.

Scott

- C** Not necessarily a passing grade. A candidate with a mixed record or positions on gun related issues, who may oppose pro-gun positions or support restrictive legislation.
- D** An anti-gun candidate who usually supports restrictive gun control legislation and opposes pro-gun reforms. Regardless of public statements, can usually be counted on to vote wrong on key issues.

Need a good mechanic?

How's about cleaning services?

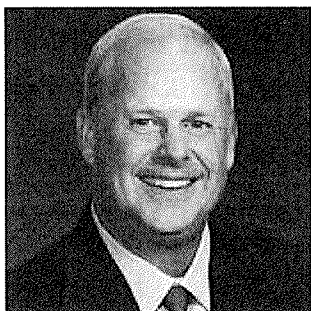

Looking for a dentist perhaps?

GO-NH Business Members aren't just gun shops, and they don't pay the extra money for a lot of fanfare either. They join as a business for the same reason most us do personally - because they believe in the cause and want to support GONH's efforts.

So, the next time you need auto body work or perhaps self-storage from someone you can trust, why not support the folks who support Gun Owners of New Hampshire.

Hasson Doesn't Believe In The Right to Self-Defense...

⇒ In June 2006, as a State Senator, Hasson voted "No" to override the veto of SB318, a bill which would allow a person to use deadly force to protect oneself in any place that person has a right to be. SB318 was passed by the NH House & Senate and vetoed by then Gov. John Lynch.
